PublicSchoolWORKS' 'EmployeeSafe Suite' Named a District Administration Reader's Choice Top 100 Product for 2011

For the second year in a row, magazine readers have chosen staff safety program as top in its class

Cincinnati, OH – February 14, 2012 – PublicSchoolWORKS' EmployeeSafe Suite has been selected for the second year in a row as one of the top 100 products for 2011 by District Administration (DA) magazine readers. PublicSchoolWORKS is a Cincinnati-based company that offers the one and only comprehensive, fully-automated risk management system available for schools.

"The EmployeeSafe Suite is a web-based product that improves safety, helps to reduce workers compensation and liability costs, and saves administrators time by managing and sustaining safety initiatives and requirements including staff training, compliance tasks like drills and inspections, accident management processes, staff safety reporting, and more" said Tom Strasburger, vice president of PublicSchoolWORKS. "Our customers know that the EmployeeSafe Suite is a high-quality program that streamlines and automates processes while providing all necessary documentation and recordkeeping to be in compliance with state, federal and local laws."

The PublicSchoolWORKS EmployeeSafe Suite includes:

- Staff Training
- Employee Accident Management
- OSHA 300 Reporting
- Compliance Task Management (Non-Training)
- MSDS Now!

(more)

Recipient of the 2010 Readers' Choice
Top 100 Products for both
EmployeeSafe and StudentWatch

- Staff Safety Reporting
- Staff Telephone Hotlines
- Safety Document Management

The Suite is customized to meet state and federal requirements while addressing district specific needs. The system will automatically communicate with vendors and staff to make certain that safety compliance requirements including training and tasks are completed. EmployeeSafe Suite customers find that the time administration spends tracking safety compliance requirements is reduced by 50% while improving staff safety awareness for maintaining a safe school environment. In addition to the D.A. Reader's Choice Top 100 Products award, the EmployeeSafe Suite has won Best in Tech 2011 from Scholastic Administrator and Best in Class for EmployeeSafe Training/Vocational for the 2011 Interactive Media Awards.

About PublicSchoolWORKS

Since its founding in 2000, PublicSchoolWORKS has been committed to providing top-quality, practical and cost-effective solutions to the constantly changing environmental, health and safety requirements affecting the nation's educational systems. The company has gained an exemplary reputation for the innovation and technical superiority of its comprehensive and integrated safety and compliance management systems, which combine administrative software tools and resources to dramatically reduce the time and cost required to develop, implement, and sustain safety compliance programs.
