Cincinnati, Ohio (November 7, 2019) — The Southwest School Corporation (SWSC) and Northeast School Corporation (NESC) in Indiana recently partnered with **PublicSchoolWORKS**, the number one provider of complete, online safety and regulatory compliance programs for K-12 schools, to manage its staff safety training. SWSC employs more than 200 faculty and serves over 1700 students in Sullivan, Indiana. NESC serves just over 1000 students and employs about 140 staff members in Hymera, IN.

"I've been very pleased with the product and support that PublicSchoolWORKS offers. It's adds an extra layer to help ensure compliance," said Chris Stitzle, Superintendent of SWSC. He went on to praise his dedicated Project Management Coordinator saying, "Having that person you can call on, it has worked remarkably."

With PublicSchoolWORKS' Managed Training Program, the automated communication to staff and managers led to 199 out of 200 faculty members completing training. That's a 99.5% completion rate.

NESC has also experienced success with PublicSchoolWORKS. "Indiana has a large amount of mandated training, and our HR department has been thrilled with how much easier PublicSchoolWORKS has made managing this training," said Mark Baker, Superintendent of NESC.

PublicSchoolWORKS' EmployeeSafe Managed Training provides schools and districts with access to 600+ online safety courses. This includes courses districts are required to deploy to employees, including Suicide Prevention, Restraint and Seclusion, and more, as well as courses on other important safety topics, including Slips, Trips, and Falls and Armed Assailant.
